## Honduras Mission 2017

Join us for an amazing mission trip to Honduras. Help be the hands and feet of Jesus to people across the world. This allows students to join God at work in the country of Honduras and see what it means to go and make disciples of all nations.

Mission trip volunteers work alongside local villagers to complete projects that improve the well

being of the community. Additionally, volunteers have the opportunity to teach the Bible to the children of each village and engage

with them through games, music, and crafts. Volunteers also have the opportunity to meet with families who have requested prayer. On New Years Eve we will be serving dinner at a children's hospital for the children and their families.

**A trip to Honduras is truly a life changing experience full of beauty and grace. It will give you a better appreciation for the strength of these amazing people and the wondrous goodness of God through His people. Will you be a part of encouraging the people of Honduras with the love of Jesus?**
